GENERAL ASSEMBLY,

JANUARY SESSION, 1907.

## CHAPTER 221.

### AN ACT

Concerning the Registration, Numbering, Use, and Speed  
of Motor Vehicles and the Licensing of  
Operators of such Vehicles.

*Be it enacted by the Senate and House of Representatives  
in General Assembly convened:*

#### TERM "MOTOR VEHICLE" DEFINED.

SECTION 1. Whenever the term "motor vehicle" is used in this act, except when otherwise expressly provided, it shall include all vehicles propelled by any power other than muscular, except road-rollers, street sprinklers, fire engines and apparatus, police patrol wagons, ambulances, and such vehicles as run only upon rails or tracks.

#### STATEMENT AND CERTIFICATE.

SEC. 2. Every owner of one or more motor vehicles shall file in the office of the secretary of the state on a blank furnished by said secretary a statement of his name, residence, and post office address, and a brief description of each motor vehicle owned or controlled by him, including the name of the maker, the number, if any, affixed by the maker, the character of the motor power, and the amount of such motor power stated in figures of horse power as advertised by the maker thereof, and such other information as shall be required by said secretary. The said secretary shall then

register such motor vehicle, assigning to it a distinguishing number or mark, and shall thereupon issue to the owner thereof a certificate of registration which shall contain the name, place of residence, and post office address of the owner, and the number or mark assigned to such motor vehicle, and such certificate shall at all times be carried upon such motor vehicle and shall be subject to examination upon demand by any proper officer. The certificates provided for in this section and in section three shall continue in force until one year from the date of issue, and upon the renewal of any such certificate said secretary shall reassign the distinguishing number or mark contained therein.

#### REGISTRATION BY MANUFACTURERS AND DEALERS.

SEC. 3. Every manufacturer of or dealer in motor vehicles may, instead of registering each motor vehicle owned or controlled by him, make application to said secretary for a general distinguishing number or mark, and said secretary may, if satisfied as to the facts stated in said application, issue to the applicant a certificate of registration containing the name, place of residence, and post office address of the applicant, and the general distinguishing number or mark assigned to him; and all motor vehicles owned or controlled by such manufacturer or dealer shall, until sold, or let for hire, be regarded as registered under, and have assigned to them, such general distinguishing number or mark. #### MARKERS TO BE DISPLAYED ON FRONT AND REAR OF MOTOR VEHICLES.

SEC. 4. Every motor vehicle, except motor bicycles, shall at all times while being used or operated upon the public highways of this state, have displayed in a conspicuous place and manner a plate or marker, entirely unobscured, and

securely fastened, upon both the front and the rear of such motor vehicle, the plate or marker on the rear thereof to be fastened so as not to swing. Said plates or markers shall be obtained from the secretary of the state as hereinafter provided, and shall bear the initial letter of this state, and the number or mark assigned to such motor vehicle, the letter and figures thereon to be not less than four inches high and each stroke thereof to be not less than one-half inch wide.

Upon the transfer of ownership of any motor vehicle its certificate of registration shall expire, and said secretary, at his discretion, may reassign the distinguishing mark or number described in such certificate. In the event that any certificate or license issued by said secretary under the provisions of this act shall be lost or destroyed, he shall issue to the person whose certificate or license has been so lost or destroyed a duplicate thereof. In the event that said secretary is unable to immediately furnish any plate or marker provided for by this act to any person entitled

thereto, he may issue a certificate to such person stating that such marker has been ordered and giving the number thereof, and such person may thereafter use a temporary plate or marker, similar in form to the plate or marker provided for by this act, until said plate or marker has been so furnished.

#### OPERATOR'S LICENSE.

SEC. 7. No person shall operate a motor vehicle upon the public highways of this state until he shall have first obtained a license for that purpose, but nothing herein contained shall prevent the operating of a motor vehicle by an unlicensed person, other than a person whose application has been refused or whose license has been suspended or revoked, if accompanied by a licensed operator, which licensed operator shall also be personally liable for any violation of the provisions of section eleven, twelve, or thirteen of this act. Licenses for operating motor vehicles shall be issued by the secretary of the state, but no license shall be issued to any person under the age of eighteen years. Each license shall state the name, place of residence and post office address of the licensee and the number assigned to him. Said licenses shall continue in force until one year from the date of issue unless suspended or revoked for cause, and shall at all times be carried by the licensee when he is operating a motor vehicle upon the highways of this state, and shall be subject to examination upon demand by any proper officer.

The provisions of section 2658 of the general statutes concerning appeals from decisions of county commissioners shall, in so far as the same are applicable, govern the appeals herein provided for. A full record shall be kept by every court or justice of the peace in this state of every case in which a person is convicted of a violation of any of the provisions of section eleven, twelve, or thirteen of this act, and a certified abstract of such record, the expense of which abstract shall be taxable as costs in such case, shall, within ten days after the date of such conviction, be transmitted by such court or justice of the peace to the secretary of the state. Said courts and

justices of the peace shall furnish to said secretary the details of all flagrant cases which may be heard before them, and they may make such recommendations to said secretary as to the suspension or revocation of the licenses of the parties defendant in such cases as they may deem proper. Said secretary shall keep such records in his office, and they shall be open to public inspection. Whenever any person licensed to operate a motor vehicle upon the public highways of the state shall have been convicted of any violation of section eleven, twelve, or thirteen of this act, said secretary, or the deputy secretary, may revoke the license of such person, and, upon a third conviction within the same calendar year, said person shall, in addition to the penalties for such offense, incur a forfeiture of his license, and the said secretary, or the deputy secretary, shall thereupon revoke and require a return of the same. If the rate of speed of a motor vehicle operated on the public highways of this state exceeds twenty-five miles an hour for the distance of one-eighth of a mile, such rate of speed shall be *prima facie* evidence that the person operating such motor vehicle is operating the same at a rate of speed greater than is reasonable and proper, and in violation of the provisions of this section.
